Training millennials to navigate life

Gary D. James, Sr.

Gary James is the Co-Founder and Executive Director of Renewed Hearts Inc., a faith-based, multicultural organization focused on restoring wholeness and raising innovative leaders across generations. Renewed Hearts exists to help people move from survival to transformation by addressing spiritual formation, emotional health, leadership development and practical life skills.

The Ministry Core, known as **CITE**, is built on the pillars of *Connection*, *Inspiration*, *Transformation*, *Empowerment*. Renewed Hearts is currently launching a fund-raising initiative called Project Pulse to build the Heart House as a permanent home and a space for the community.

Married for 37 years, Gary and Tanya are based in the metro Atlanta area and are blessed with children and grandchildren. Their life mission is to see Renewed Hearts build stronger families and healthier communities for generations to come.
